Mt. Juliet has formal options right in the heart of the city now that Repeat After Me has opened.

Since March, Repeat After Me has been helping Mt. Juliet residents look their best for their formal events.

Whether it be weddings, proms, pageants, or quinceaneras, Repeat After Me has plenty of options for you.

Repeat After Me was opened by Mt. Juliet resident Lisa Hare. She had a friend that was getting married, and they had to travel to different areas to find what she needed. She wanted to make it easier for Mt. Juliet residents to get the formal attire they needed for their special days.

Repeat After Me has new and consignment dresses. Half of the collection at the store is owned by Hare, and those can be rented as well. In addition to dresses, Repeat After Me has Tuxedo Rentals through Ascot.

But that's not all. Repeat After Me can do wedding invitations and accessories as well.
