Mt. Juliet Wine & Spirits has already served a large number of citizens in the community, but a grand opening celebration is scheduled for July 1.

On that day, there will be specials on case prices. The specials were still being worked out at time of publication, so stop in the store Monday to check them out.

What makes Mt. Juliet Wine & Spirits unique is that you have a say in what gets stocked. There is an information center located in the store for you to request what you would like to see there.

“No request is too crazy,” said Manager Jimmy Byrd.

He said as time passes, the store will adapt its stock to the needs of the customer.

“We are going to pride ourselves on customer service,” said Byrd.

He said the knowledgeable staff will be able to help you find what you are looking for, make suggestions, or help you track down that product you really wanted for a future visit.
