Central began moving the ball on their next drive with a heavy dose of Roundtree throwing the ball. They moved the ball to Brentwood's 33, but ran out of time as the half expired.

After the half Central's defense stopped Brentwood's opening drive and forced them to go three and out. However, on their first play Central fumbled the ball, giving Brentwood a short field. Brentwood went 29 yards in three plays for the score. They were now up 28-0.

Central attempted to put together two more drives, getting the ball to Brentwood's 19 and their own 46, but turned it over on downs each time.

Brentwood scored one more time, two plays after a Roundtree interception, ending the game with a 35-0 win for Brentwood.

Chris Lee led the Wildcats in receiving with four catches for 134 yards. Alex Price led all rushers with six rushes for 62 yards.

Central will be losing 22 seniors this year, including three of their five starting offensive linemen.

According to Coach Brad Dedman their goal this offseason is to get bigger and faster as he felt like that is what hurt them against Brentwood.
