

West to have modified schedule due to construction

Tuesday, July 30, 2013

Construction will modify the start of school for West Elementary.

All students except for kindergartners will have an abbreviated day from 7:15 to 9:15 a.m. Thursday and Friday. Kindergartners will not start until Monday, Aug. 5, and will be personally contacted by their teachers prior to Aug. 1. Buses will run Thursday and Friday.

The exterior construction has limited parking space, and parents are temporarily asked to use the buses or drop your child off using the car rider lines. Due to some parents wanting to accompany their child to their class on the first day, you may choose to wait and start school on Monday, Aug. 5.
