

MJ Baseball wins 8th straight district title

Tuesday, May 14, 2013

Mt. Juliet came away with their 8th straight district title Friday with a 6-2 win over Beech.

Beech had eliminated Wilson Central Wednesday with a 7-0 victory.

The Bears kept things rolling through regionals Monday with a 9-4 win over Clarksville.

Mt. Juliet scored six runs in the bottom of the first and never relinquished the lead.

The Bears will host Rossvie Wednesday at 7 p.m. for the Region title. If they win, they will host the loser of Brentwood or Centennial Friday for a chance at a trip to state. If they lose, they will travel to the winner of Brentwood and Centennial with a state appearance still on the line.
