Escaped jail inmate turns into intense vehicle chase

Wilson County Sheriff Deputies and Lebanon Police Officers were involved in a high speed car chase that originated from an inmate escaping the Wilson County Jail in efforts from an assisting agency.

Photo Courtesy: Mt. Juliet Police Department

By Parker Minor

Wilson County Sheriff Deputies were involved in a high speed police chase in Wilson County, involving Lehanon City Limits, around 11:00 a.m. last Thursday, June 9.

Deputies chased after a small, silver Toyota Corolla sedan that includ- ing 2 suspects, one male and one female.

They were able to stop, off Robert Bryan, the male suspect, 28, in Mount Holly, a small, silver Toyota Corolla sedan with a female accomplice, Rose Mary Franklin, 25, of Columbus, Georgia, who is believed to have planned with the assisting of the jail breakenout.

The vehicle chase lasted for approximately ten minutes on the Music City Star railroad tracks, located on Maple Road.

Wilson County Deputy, Cpl. Greg Metcalf, discovered one of the car chase suspects near the railroad tracks of Maple Road.

Mr. Wilson, 38, of Dalton, Georgia, who is believed to have moved out of state.

Moore appointed new interim Wilson County 911 director

Mayor Hagerty and Commissioners approve contract renewal of City Manager Kenny Martin

Mt. Juliet Police Department's hebben Moore commented, “It was a stupendous man in Providence last Wednesday.

The Mt. Juliet police officer he was traveling from Knoxville to Kansas. The man told the officer he was traveling from Knoxville to Kansas.

The man's shoes were in terrible bad shape and that he was wearing two right-footed shoes on his left and right feet.

The Mt. Juliet police officer then took the man to the nearby Good Feet store and bought him a new pair of the man's own shoes.

The manager of Good Feet Tennessee also dis- counted the shoes for the officer.

“Our officers act on their own daily, being true guardians of our community, to help others in need and keep our city safe,” said the department.

Mr. Moore also spoke of some changes in proce- dures that were put in place previously.

It was voted by the Commissioners that Kenny Martin will serve another term as Mt. Juliet’s City Manager, finding the man show- ing the home to another friend.

Police were then called to the fraudulent scene and officers located the man at a nearby gas sta- tion where he had fled to. The man was identi- fied by the Mt. Juliet Police Department as Jack Wilson, age 42, of Dalton.

Wills gave the families a fake name and showed the property in efforts to deception.

Mayor Hagerty and Commissioners approve contract renewal of City Manager Kenny Martin

By Parker Minor

Board of Commis- sioners voted to approve re-nouveau of contract for City Manager, Kenny Martin at Monday eve- ning’s meeting at City Hall.

Mayor Ed Hagerty authorized and signed the letter appointing the current City Manager complimenting him for his outstanding service and for his contribu- tion.
**Man falls from moving car onto Interstate**

Photo Courtesy: M.J.P.D.

A man fell from a moving car last Friday on Interstate-40 in Mt. Juliet.

In the midst of an argument between the fallen man and the female driver of the vehicle, the male was injured while trying to get back into the vehicle while the vehicle was moving.

Photo Courtesy: M.J.P.D. - A man who served the Country Casseroles to Mt. Juliet last Thursday night, being quickly from the scene before Mt. Juliet Police arrived.

Mt. Juliet Police are looking for a male suspect who walked into Country Casseroles, located on Lebanon Road in Mt. Juliet, and robbed the restaurant last Thursday evening.

Police report that the man stated that he had a gun and afterwards fled the restaurant on foot toward Springmont Boulevard.

The suspect is described as a white male with shoulder length brown hair, whose age is in his twenties, weighing around 160 to 150 pounds with an unshave

Have you ever wondered what goes on behind closed doors? Think about it. How many times have you heard about a tragedy or a heartache that came to light only going behind closed doors that no one knew about, or knew about but didn’t want to get involved in?

There is an old saying which states don’t judge a book by its cover, but how true. Just because everything looks fine on the outside doesn’t mean that it’s good on the inside. For example: A human being can be carrying about a heartache, or worse, crying on the inside. Many children start out their day appearing fine on the outside, but on the inside, they may be feeling low, mopey, and painfully. They come from picture perfect families that by all accounts are the perfect example of the complete and happy family when in reality the family is suffering and on the verge of collapse.

In human beings we must do all we can to assist those hurting children and families. We must look for the little warning signs and cries for help. It’s not about being a busy body or minding ones on business, it’s about helping fellow human beings. As the Bible says, “God created man in His own image, in the image of God He created him; male and female He created them” (Genesis 1:27). And God fashioned us in our mother’s image (Psalm 139:13). That means every person is worthy. We have both eternal and lasting relationships. It seems we spend a lot of time pursuing the American Dream and achieve material success, yet it’s about helping, cultivating meaningful relationships. As Jesus says “…where your treasure is there your heart will be also.” (Matthew 6:21). That’s why we must get involved. Getting involved doesn’t have to be painful or difficult, it can be very rewarding. Getting involved can be a lot of fun, making new friends and watching our parents and grandparents pursue their dreams and achieve material success, yet it’s about helping, cultivating meaningful relationships. As Jesus says “…where your treasure is there your heart will be also.” (Matthew 6:21). That’s why we must get involved.
Dear Editor,

This year there was an astounding increase in property assess- ment for Mt. Juliet and surrounding areas that resulted in the true 1% property value increase this year.

In my family’s case, that was an additional 35%. The property assess- or’s office valued our home way beyond what we would be able to list for... Almost $156 a square foot. I don’t know any bank in America that would loan us a cent if we were to try and sell our home at the new ‘appraised’ value.

I went through the appropriate channels. I had a meeting with the Board of Equalization to dispute the value as- signed, presented concrete par- ameters for our property, and with all that, they still upheld this absurd increase and re- ferred me to challenge the State of Ten- nessee at our own cost. I believe a much larg- er discussion is needed in our community needs to take place.

I keep talking to speaking to others in our area that are in the same boat—alone in this.

The whole process has left a bad taste in our mouth and feels like an unethical way.

Concerned, Mt. Ju- liet Resident, Amanda Morrow.

TDS Telecom’s parent company named Fortune 500

Telephone and Data Systems, Inc., parent company of TDS Telecom and a leading provider of telecommunications services, announced today that TDS has been named to the Fortune 500 list, which ranks America’s largest companies.

“TDS is honored to earn a place on the Fortune 500, which is a reflection of the excep- tional efforts of the as- sociates across the company, TDS, and its businesses units. U.S. Cellular, TDS Telecom, Square D Solutions, Bend Broad- band, and the additional milestones achieved in 2015,” said LeRoy T. Carlson Jr., TDS president and CEO.

E.M.T.A.R. TO CONTRIBUTE DONATION TO THE WC SCHOOLS FAMILY RESOURCE CENTER

By Parker Minor

The Board of Commissioners deferred the agenda topic until the next BOC meeting in order to delve into more details of the possible concerns of the proposed topic.

Some were not happy to hear agenda topic 12.B.2. on Monday night’s Board of Com-missioners meeting at City Hall.
City officials and com-missioners were of nega-tive response of the idea for a convenience market to sell wine at its location. Conveniently right off of the interstate and next to the door of a quick stop, easily in reach of under-age minors and possibilities of tempta-tions, was a voiced con-cern of Commissioner Art Giles. Commissioner Ray Johnson offered his opinion on the topic, “I will not vote for this,” he said.

The Board of Commissi-ons, including Mayor Ed Hagerty, gave nega-tive recommendations and deferred the agenda topic until the next BOC meeting in order to delve into more details of the possible concerns of the proposed topic.

**Health & Style**

How can I tell if it’s time to replace the ph of my hair?

Cheryl Jones, Ph.D., LCMHC

- Out of balance pH can cause everything from an oily scalp to dry brittle hair. If you long for healthy shiny hair, study up on some basics so you can look and feel your best.

Healthy hair has a pH balance between 4.5-5.5 neutral. The lower the pH, the more acidic or only our hair becomes. The higher the pH, 6-14, the more alkaline or dryer our hair becomes. Low pH causes an oily scalp and high pH causes color fading and split ends. To achieve the balance your hair needs, be sure to use only pH balanced and stable products so you can show off your radiant hair.

I recommend using the Enjoy Hair Care System that has the pH levels marked on each bottle. Or talk to your professional stylist for help.

**Insurance**

Auto liability insurance pays if it is determined that you hurt someone or damaged someone’s property in a car accident. Most policies will show the liability limits set up as three numbers separated by a slash. Example: 25/50/25. The first two numbers you see are the bodily injury limits (25-50) is the example the most the policy will pay is $25,000 per person and $50,000 per accident. The last number shows the property damage limits (25-50). In the example most your policy will pay out in property damage is $25,000.

Accidents don’t only involve other cars but can involve buildings, signs, and other stationary objects which would fall under the property damage limit. To review your auto policy and take a closer look at your liability options, give Cumberland Insurance Agency a call at 615-526-1966.

Rodeo supporters purchase popular bulls to support the upcoming Rodeo coming to County fairgrounds.

You’ve probably seen, by now, the random bunch of bull all over Wilson County.

All in good fun of course, we’re talking about the bulls hotin’ the area that is at the county fairgrounds all next week. Wilson County Chamber of Commerce in Lebanon is selling the decorated bulls in order to help support and promote the National Junior High School Rodeo. The chamber, all around Wilson county, have painted and drawn on the bulls to reflect their themes in business or services in the local community, and you can tell they have had some fun decorating.

County Chamber members reported, as of last Wednesday, that 67 decorative bulls have been purchased in support of the Rodeo in town.

The unusual promotion has received much attention around local communities in the county.

The City of Mt. Juliet has several of the bulls up for display, including a bull with the City Seal painted on it, at the corner intersection of East Division St. and North Mt. Juliet Rd., where residents took pictures with the decorated bulls over Memorial Day Weekend. The National Junior High Finals Rodeo consists of seven days of rodeo competition with more than 1,000 young competitors from across the country. The event features over 1,000 young competitors from all over the country. The National Junior High Finals Rodeo consists of seven days of rodeo competition with more than 1,000 young competitors from across the country.
Deaconess HomeCare in Mount Juliet receives Five-Star rating

Centers for Medicare & Medicaid Services’ Five-Star Quality Rating System recognized Deaconess HomeCare with a 4-star rating in patient satisfaction. Deaconess achieved the highest rating possible in the patient satisfaction category. The system ranks providers in two categories: Quality of Patient Care and Patient Satisfaction.

Meet Nancy Wozniak, M.D., Obstetrics and Gynecology

Please join Tennova Healthcare - Lebanon in welcoming OB/GYN Nancy Wozniak, M.D., to our team. Dr. Wozniak completed medical school at the University of Illinois with 2 years of internal medicine residency before completing her specialty training in OB/GYN and post-graduate training at Good Samaritan Hospital in Cincinnati, Ohio. She is certified by the American Board of Obstetrics and Gynecology.

With more than 11 years of experience in academic and community settings, Dr. Wozniak brings expertise in all areas of Obstetrics and Gynecology, with a special interest and expertise in the follow areas of treatment:

- Obstetrics, high and low risk
- Pelvic pain/swimmers
- Abnormal Pap smears/colposcopy
- Dysfunctional bleeding
- Endometriosis

Dr. Wozniak's goal is to provide quality diagnosis and treatment for women's services. She has most recently served as the Assistant Professor of Obstetrics and Gynecology at the University of Illinois College of Medicine in addition to her role as the Associate Medical Director of OB/GYN at Carle Clinic in Champaign, IL. She is excited to join our team at Tennova Healthcare and believes in working with each patient to improve their health and well-being in a professional and caring manner.

Dr. Wozniak lives in Lebanon and is married with three children. She is passionate about her family and enjoys art, painting, and gardening. Dr. Wozniak practices at Tennova Women's Health - Lebanon, located at 1616 W. Main St, Lebanon, TN 37087. To schedule an appointment, call 615-453-7463.
